

## Admissions Application

The FHFH Homeschool Umbrella (FHFH) is a Maryland state authorized umbrella that takes the place of the county review for homeschoolers and simplifies the review process for each family. As a member of FHFH we will report your child(ren)'s enrollment to your county of residence, as required by the Maryland Home Instruction COMAR 13A.10.01. Thus, the only time you should have any communication with your county board of education is filing your initial notice of homeschooling.
